YOUR PRICES**

Welcome to your Online Shop

Whether you're specifying a new instrument or simply looking to replace an existing device, the Online Shop is the quickest and easiest way to place your orders with Endress+Hauser. And, as prices and delivery times are displayed throughout the purchasing process, it reduces the need for quotations! However, should you require a quotation, simply send us your request and we'll quickly confirm your requirements for you.

Additional benefits include:

- Simple online ordering
- Overview of purchasing history
- Easy identification of spare parts
- Access to technical data
- Live order tracking

It's easy: open your account today!
Simply call us on 0161 286 5000 or visit www.uk.endress.com/shop and click on 'Request for account'. We promise to get your account up and running in 48 hours!

Order in four simple steps!

Personalised log-in

Each user has a unique user ID and password, giving you direct access to all your online quotations, orders and favourite product lists.

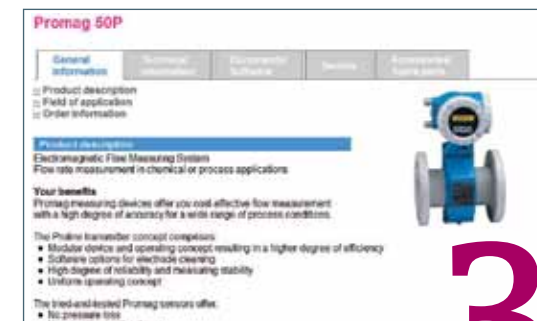

Simple configuration

2

Easily configure instruments to meet your technical and commercial requirements.

Access documentation

Operating manuals, technical information and spare parts diagrams for each instrument are readily available.

View prices and delivery times

To view your net prices and delivery times create a shopping basket and enter the product's part code. If you have any special requirements simply request a quotation.

Save time

Improve your procurement processes

- Prices and production times are displayed – reducing the need for quotations.
- Create a shopping basket and then order in two simple clicks.
- Create and save favourites lists for easy re-ordering.
- Integrate the Online Shop into your existing procurement system.

Information, around the clock!

- Access our complete product portfolio.
- Download technical information, operating instructions and certificates.
- Easily identify spare parts.
- Check product availability and view suggested replacements.
- Compare products side-by-side for accurate product selection.

Stay up-to-date

- Quickly get an overview of all your online quotes and orders.
- Track your orders with our live order tracking facility.
- Receive email notifications directly to your inbox confirming your Online Shop business activity e.g. quotation requests and orders.

Stay in touch!
